

Audurra™ Spray Suit

Personal Protection

Description:

The premium-quality Audurra spray suit is manufactured from 100% PES and therefore guaranteed lint free. The black primary color in combination with the red accentuations, Audurra logos and printings is setting new visual standards and is perfectly harmonizing with its sporty pattern. The exceptional breathable “Pro AIR Soft Stretch” material used at the back ensures an excellent air ventilation and a high wearing comfort.

Features:

- Material: 100 % polyester
- Hood with Velcro and extra breathable parts
- elastic cuffs at the arms and the legs
- two-way zipper in material color
- 2 side pockets without bag at the hips
- 1 chest pocket with hidden Velcro
- 2 backside pockets without Velcro
- adjustable waist band
- lint free, tear-resistant, breathable, silicon-free
- antistatic
- washable till 40° C
